outstanding review of Graduate House Concert

'...a unique world class a cappella act who deserve copious accolades along their journey...' Vocal Australia (4 stars)

The Graduate House concert was packed and a wonderful success – thank you to all those who attended and gave us your gorgeous energy, applause and feedback, and to David Eyres for inviting us. We loved every minute of it, and it was great to chat over that sensational cake & champagne afterwards!! Read the fantastic review of the concert posted by Vocal Australia at www.vocalaustralia.com

Lisa Young Quartet's new release! 'The Eternal Pulse'

Following their 'standing ovation' performance at The Melbourne International Jazz Festival 2011, the new album is here!

THE ETERNAL PULSE is a song cycle that explores a diverse musical expression, layering Indian elements, rhythmic textures and ensemble dialogue, in an evocative journey of sound and song. The quartet's last album 'Grace' won the prestigious 'Bell' award for 'Best Australian Vocal Album 2007'. A longtime student of mridangam maestro

Kaaraikkudi Mani in Chennai, Lisa specializes in 'konnakol' - South Indian vocal percussion. Featuring Steve Magnusson – guitar, Ben Robertson – double bass , Dave Beck – drums.

'An intelligent, loving, and unforced marriage of two great musical traditions' Doug Spencer, ABC radio.

'Remarkable grace in amazing voice' Jessica Nicholas, The Age
